🌸 Spring Is Here – Let's Keep Our Community Safe & Beautiful! 🌸
With warmer weather finally here, you'll see construction and cleanup happening around the property. For everyone's safety, please remind children to stay away from work areas and equipment. No playing near machines or wet concrete!

Let's take pride in our neighborhood:

- ✓ No writing or drawing on buildings or other surfaces
- ✓ Always clean up after your pets

😊 Grilling Season is Here!

When using your grill, keep it off the porch and away from your home. This helps prevent fires and keeps everyone safe.

❄️ Air Conditioner Season: May 1st – Oct 1st

If you need help installing a portable AC, or already installed one, please call the office.
