Lease Enforcement Reminders

We value the upkeep of our community spaces and your individual homes. It's important to maintain a standard of excellence in both areas. With this in mind, we would like to remind you of several key policies:

Maintaining Aesthetic Standards: Please take pride in your home and community spaces. We kindly remind you that using blankets as curtains is not permitted.

Guest Registration Policy: All overnight guests must be registered with the office. Registered guests are allowed to stay for a maximum of 14 consecutive days or a total of 30 days within a calendar year. Unauthorized guests constitute a serious lease violation.

Parking Regulations: Parking passes can be obtained during normal business hours at the office. For after-hours access, please contact your appointed site volunteer. It's imperative to adhere to parking regulations to ensure smooth operations for all residents.

Pest Control Treatment Plan: If you are placed on a Pest Control Treatment Plan, it's essential to comply with the treatment schedule provided. Failure to comply may result in charges. Your cooperation is pivotal in achieving effective results.

Consideration for Neighbors: Please be considerate to your neighbors, particularly when parking. Avoid parking over the sidewalk as it may obstruct the passage of individuals with wheelchairs, strollers, or groceries, impeding their safe movement.

Air Conditioning Season: Air conditioning season commences on May 1st. During this time, you may place a work order with your Housing Specialist.
